

Superreel® - Industrial Reel

ESDH1200F SERIES

FEATURES

- Heavy duty. All-steel construction.
- For thermoplastic welded double hose with bigger diameter and bigger floating rate
- Available in Left or Right version
- Fixation by mounting flangel
- Self winding by permanent spring force
- Full flow shaft swivels.
- Superior performance: Swivel and reel ball bearings reduce torque load on power spring for smooth retraction and durability.
- Corrosion resistant: Sealed bearings prevent contamination and minimize maintenance.
- Easy installation and maintenance: Factory lubricated one-piece power spring cassette make installation safer and maintenance easier.

Superreel® - Industrial Reel

- Adjustable and Versatile: Guide arm adjust to wall, floor, vehicle, overhead positions.

Narrow design allows for maximum use of available space.
